

IN THE FEDERAL DISTRICT COURT FOR THE STATE OF ^{SOUTH} DAKOTA

Case # 19-4049

Christopher William (The Living Man
Bruce)
v. Paul Tenhaken ET AL

Addendum TO claim
Added facts + Additional
Relief request

I, Christopher William (Bruce), the living man, do present
this addendum to my claim of damage in fact
and request for additional relief.

ADDITIONAL FACTS

1. On the date of 6/6/19, the claimant did file an amended claim with this court, in this case.
2. An hour later, the claimant, out of fairness, opted to email a copy of the amended claim to Defendant Tenhaken, his city council members and 15 of my contacts for my protection.
3. An hour later, Mr. Tenhaken had a warrant issued for my arrest, and the Minnehaha County Sheriff's broke down my door, guns drawn, and arrested me for the level 1 misdemeanor charge of stalking. Mr. Tenhaken.
4. On 6/7/19, The District Court of Minnehaha, with no true evidence of any statute violated or crime committed, and without a sworn

affidavit of damage in fact, signed in wet ink
signature & thumbprint in red, stated in fact
under possible penalty of perjury, did deprive
the claimant of life & liberty by imposing
an unlawful, and unjustified \$25,000
cash only bail, based solely on their
alleged perception that I was a "Danger
to the Community", though I have never in
my life ever harmed animal, insect, fish, fowl
or human. The claimant states, without
flinching, that the only individuals I am
and have EVER been a danger to are
those who choose to violate my rights
without merit, and harm those I love.

Mr. Tenbaker ET AL, defendants and
the County Attorney for Minnehaha County,
and District Court "judge" Peloki are now
on that ever growing list of 40 plus elected
officials, in Iowa & down in South Dakota.

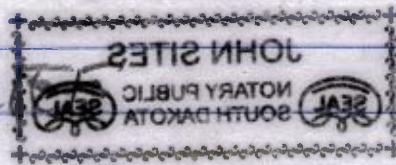

I will not EVER rest until they are ALL
legally held accountable for their crimes

against my family & I, and for callously, and
vindictively & maliciously violating ALL of
my rights, degrading my good name & harming
my family; or they have me murdered, as
they have done to countless others.

5 While I was incarcerated, I was arrested again, and 2 more "charges" were filed against me, and an added unjustified unconstitutional high bail of \$50,000 cash only was imposed against me; again, with no sworn affidavit of damage in fact filed by a damaged party, no evidence of any crime committed or statute violated, for a total of \$75,000⁰⁰.

6 On 6/9/19, the claimant filed a writ of habeas corpus. On 6/12/19, this day, an addendum to both this claim and to the Habeas Corpus were both filed with the Federal courts, together. The claimant has opted to not appear at any more court appearances, since no answer to my challenge of their jurisdiction has been given me.

ADDITIONAL RELIEF

THE CLAIMANT REQUESTS AN IMMEDIATE injunction be implemented against Paul Tenhaken from taking further malicious, unjust and unwanted legal retaliatory actions against the claimant.

The claimant would like to increase the,

relief asked from Paul Tenhaken from \$5,000
in lawful Constitutional money (Gold or Silver) to,
\$20,000 for additional retaliational acts, added
violations of my rights, and further pain, suffering
and mental anguish, upon demand, in gold or
silver.

Christopher William (Bruce) The Living
Man.

Addendum to Writ of Habeas
Corpus

i, Christopher William (Bruce), A living man and a
son of God, do now provide additional relief &
facts to the writ of habeas corpus, filed
6/9/19.

ADDED FACTS

1. On 6/9/19, A habeas corpus was submitted to the federal district court via jail mail from the Minnehaha County jail.

2. 2 days later, 6/11/19, I was arrested on ~~non-felony~~ warrant while in custody. Listed ~~felony~~ as a harassment charge and a level 6 felony stalking charge. My \$25,000 cash only bail was unlawfully raised to \$75,000 cash only, based again on no crime committed, no indictment, and no affidavit of damage in fact. There is no evidence of criminal activity filed for any of

these unlawful charges. During my initial appearance, I challenged the district court's jurisdiction and was duly ignored. Questions I asked about the nature and cause of the action were also ignored. I will not voluntarily appear at any more hearings, and have consistently revoked all possible consent.

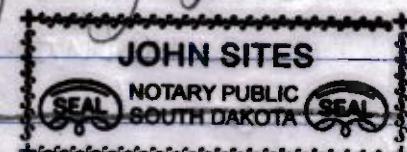

ADDITIONAL RELIEF

The living man and Affiant, Christopher William (Bruce) ask the court to ask for my presence in the Federal District court, and any claimants or Prosecutors to swear damage in fact, and produce sufficient evidence of the crimes they claim I committed, and should they fail in this task, that the federal district court order my immediate release & the charges discharged with prejudice. The affiant also asks for double penalties for all who have conspired against my rights and damaged my good name.
